Please complete form and return to Amy Jo Johnson at the Credit Union Association of the Dakotas: 2005 North Kavaney Drive, Bismarck, ND 58501. For questions contact Amy Jo at amyjoj@hotmail.com or (701) 226-2919.

Our primary mission is to provide broad based financial education for credit union members, their employees, and respective communities in North and South Dakota. In addition, we will support our credit unions in their efforts to carry out the people helping people philosophy in times of need.

Credit Union Foundation of the Dakotas

Invest your money, Watch it grow, and Make a difference locally in the Dakotas.

The Credit Union Foundation of the Dakotas (CUFD) is a unique shared investment program that strengthens the credit union movement throughout The Dakotas, across the US, and worldwide. You can choose to help all credit unions make a difference.

By investing in The Credit Union Foundation of the Dakotas, you help to expand the capacity of credit unions in the Dakotas to serve their members and their communities, while earning a return for your credit union!

To the credit unions dedicating their funds to the CIF cause, *thank you!*

About the Community Investment Fund

The Community Investment Fund (CIF) supports programs that serve credit unions and consumers, and is funded by a portion of the yield from investments made by credit unions and in Corporate Credit Unions, such as Alloya Corporate Federal Credit Union.

The foundation's grants support programs designed to directly improve the lives of credit union members. Services include financial literacy, professional training, student outreach and emergency assistance on the local level and statewide.

Highlights

- Low Minimum**-\$1,000 minimum to participate
- People Helping People**-Support local and state-wide programs
- Income**-Earn interest at market rates as you support CIF efforts

Earnings

Investment earnings on your CIF investment is split between your credit union and the NCUF. Unless otherwise specified, the standard interest split is 50/50%. NCUF income distribution is when half of the earnings are used by the NCUF to support programs and half of the earnings are returned to the credit union's state foundation or league.

Why Your Credit Union Should Invest in CUFD

- Your credit union's participation embodies the unique, long-standing focus of the credit union movement *People Helping People*.
- Your participation demonstrates leadership to the entire credit union movement.
- Large or small, every credit union can invest, while making a meaningful contribution to the credit union movement, our members and our communities.

Information

Additional information about the foundation is also posted on the National Credit Union Foundation website, www.ncuf.coop, or contact Amy Jo Johnson at amyjoj@hotmail.com or (701) 226-2919.

We make a living by what we get, but we make a life by what we give.
